

Happy 28th Anniversary to Trade to Travel!

In August of 1991, my amazing visionary mother who passed away last November, Vaniene Hardy, had the brilliant idea to create a luxury travel club for owners of vacation properties worldwide. The World Wide Web became publicly available that same month and like most people at that time, we hadn't heard of the internet yet, so starting a global company was a formidable undertaking. These days starting an international company can be as simple as building a website, but Trade to Travel is so much more than a website. Decades before anyone heard of "experiential travel" or "the sharing economy," we made it possible for owners of vacation properties to share their assets, leverage their investments in their properties, and experience the delights of living like locals when they travel.

To celebrate our anniversary, we're offering 1000 Bonus Credits for all high season weeks deposited this month (August 30 will be the deadline)!

Today's five favorites include a spectacular 6 bedroom home in Aspen which is new to TTT, plus exciting exchange availabilities in sea-n-ski destinations. Please let us know if you would like to visit these or other members' properties, or if you have available dates you would like to trade in your vacation property for stays in vacation homes and villas, boutique hotels, resorts, spas, castles, chateaux, penthouses, private islands, yachts and megayachts around the globe.

Thank you so much, we wish you a wonderful weekend!

All the best,
Leah
