

**Hello Members of TTT and Owners of Luxury Properties Worldwide,**

Today's five favorites are available for the holiday weeks of Christmas, Hanukkah and New Years.

**SPECIAL HOLIDAY OFFER:** From now through the end of the year, members may purchase barter credits @ \$200 per 1000 credits. The cost to purchase credits is normally \$250 per 1000 credits, so this is a great opportunity if you would like to give luxury vacations as holiday gifts to family and friends, or if you would simply like to increase your credit balance for future use. Credits never expire.

Please note that our exchange fees apply when using purchased credits. Members may contact their fellow members using the messaging system on our website to arrange trades (we call these "self-arranged trades") or they can let our staff know when and where they want to travel and we are delighted to arrange accommodations for them (these are "staff-arranged trades").

Our exchange fee for "self-arranged trades" is 10% of the rental value, saving you 90%. The exchange fee for "staff-arranged trades" is 20% of the rental value, saving you 80%. In other words, using the messaging system to contact owners cuts exchange fees in half.

If you would like to take advantage of our Holiday Offer to purchase credits or if there is anything else we can do for you, please let us know!

Thank you so much and we wish you a wonderful weekend!

All the best,  
Leah
